DESCRIPTION

This RF adapter bit is great for anyone doing RF work. Depending on the dev-board and antenna you have, you may be faced with either RP-SMA or SMA connectors. Unfortunately they are not compatible! This adapter solves the problem with a RP-SMA jack on one end and an SMA Plug on the other. [We also have the opposite 'flavor' available](#)

Check your cable, connector and antenna to verify whether you need this adapter, or [the other](#) or the center contact, is it an 'innie' or an 'outie'? This adapter is likely
