

Part Number : 190270046

Series Number : 207126

Product Category : Applicators and Crimp Modules

Product Description : ATP Crimp Dies for the Tape Crimp Module and ATP-101 & 301 Press

Status : Active

Engineering Number : ATP-AA-475

| Description                    | ATP Crimp Dies for the Tape Crimp Module and ATP-101 & 301 Press                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Comments                       | The Crimp Tape Module 640162000 is a base unit that will work like an applicator in a Molex TM-3000 638017200, 638017300 industry standard crimp press or the Molex TM-4000 638017600 industry standard crimp press. The Crimp Tape Module will accept all ATP-301 and ATP-201 style crimp dies. This Crimp Tape Module will allow customers to process most of Molex's Mylar Tape product from 2 AWG uninsulated and 4 AWG insulated products and up. The Crimp Tape Module will NOT work in any other industry standard crimp press or wire process machine. These ATP-301 style die sets can be used in the older style suitcase presses. |
| Function                       | Crimp                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Geographic Area                | Global                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Level of Automation            | Semi-Automatic                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| More Detailed Tech Information | toolingsupport@molex.com                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
