

Part Number : 198002090

Series Number : T9999

Product Category : Applicators and Crimp Modules

Product Description : ATP Crimp Dies for the Tape Crimp Module and ATP-101 & 301 Press

Status : Active

Part Details

General

Status	Active
Category	Applicators and Crimp Modules
Series	T9999
Description	ATP Crimp Dies for the Tape Crimp Module and ATP-101 & 301 Press
Comments	The Crimp Tape Module 640162000 is a base unit that will work like an applicator in a Molex TM-3000 638017200, 638017300 industry standard crimp press or the Molex TM-4000 638017600 industry standard crimp press. The Crimp Tape Module will accept all ATP-301 and ATP-201 style crimp dies. This Crimp Tape Module will allow customers to process most of Molex's Mylar Tape product from 2 AWG uninsulated and 4 AWG insulated products and up. The Crimp Tape Module will NOT work in any other industry standard crimp press or wire process machine. These ATP-301 style die sets can be used in the older style suitcase presses.
Function	Crimp
Geographic Area	Global
Level of Automation	Semi-Automatic
More Detailed Tech Information	toolingsupport@molex.com
Product Family	Application Tooling
Product Name	ETC
Tool Type	Crimp Module
UPC	800753119093

Warranty Disclaimer	CAUTION: Molex tooling crimp specifications are valid only when used with Molex terminals and tooling manufactured by Molex and sold by Molex or authorized distributors ("Molex Tooling"). When using tooling other than Molex Tooling with Molex specific connector systems listed in our ATS documents, the Molex tooling qualification does not apply and the responsibility for full qualification of the connector system is that of the customer. Molex accepts no liability for connector performance or tooling support where tooling other than Molex Tooling is used or where Molex Tooling is modified.
